

On Easter Sunday itself, here's our next email for families...

## Oh Happy Day!

***We're HERE! The day has finally arrived and it is Easter Day!***

Whatever this special day holds for you as a family (and we suspect a lot of chocolate may be involved!) we hope that this Easter story will help you celebrate the amazing news that is at the heart of Easter... that Jesus is not dead, but is alive!

Perhaps over your family celebrations you can ask each other these questions:

- I wonder what the women first thought was happening when the angel appeared?
- What do we think an angel would say to us if they appeared right now?
- What do you think the women's friends said when they told them the good news that Jesus was alive?

And if you want some things to do to help explore the story even more, you can find some of our ideas below...

Whatever your Easter Sunday holds,  
the whole team at St Helen's Church wishes you  
**A VERY HAPPY EASTER!!**

God bless you all,  
Richard, Claire and Linda.

## Prayer Activity

*You will need: A piece of paper, pens or pencils (each player should have a different colour)*

- Draw some dots in lines and columns on the paper eg 10 rows of 7 dots.
- Each player takes it in turns to draw a line between two of the dots. Eventually, you will be able to close up boxes. Whoever draws the line that closes the box can write or draw something to pray for inside the box...
- Someone's name- ask God to bless them and help them
- Something that you want to thank God for
- Something you would like to ask God for
- Take time to say the prayer out loud or in your head, then carry on!
- The winner is the player who has filled the most boxes by the end of the game.
