Doubting Thomas

Jesus is Alive!

But not everyone believed - even some of his closest friends! Our story today is one of several where Jesus appeared to his friends and followers. Poor Thomas sometimes gets a bad name, I'm sure he wasn't the only one to have trouble believing the amazing Good News!

And if you want some things to do to help explore the story even more, you can find some of our ideas below...

As we move forward from Easter, remember, Jesus is alive and he loves every one of us!

God bless you all,
Richard, Claire and Linda.

Prayer Activity

If you have some playdough at home, finish or create a rainbow or make the letters for HOPE. Pray for everyone bringing hope to your family and community.

If you don't have any playdough, you could make a picture or poster of a rainbow and the word hope.
