Prayer Activity – Spinning Fish Prayers

You will need:

- strips of paper (experiment with length but the ones shown are roughly 10cm x 2cm)
- Scissors, pens

Choose a strip of paper and write on it the name of the person or situation you would like to pray for, maybe family you are missing or keyworkers. Cut slits near to the ends of the strip as shown below.

Fit the slits together to make a fish shape. Now comes the fun part!

Hold the fish high in the air and let it go. As it gains momentum you will see it start to spin!

Pray

As you release your fish and watch it spinning, ask God to look after that person.
