

Here's our next email for families...

The Wise and Foolish Builders

Another story that Jesus told.....

I wonder if you've been building whilst at home - Lego, a game of Jenga, maybe even a den in the garden?

In this week's story we see the importance of thinking carefully about how and where you build. [Click here to see the story.](#)

Jesus said we should build our lives on his words. He wanted us to get active and do things, not just listen and forget it all.

- How can you take action this week?
- Can you help someone else out, at home or a neighbour?
- Can you support a charity which gives people practical help?

See below for ways to get active after you've listened to the story - could you hide the stone you decorate for someone else to find?

God bless you all,
Richard, Claire and Linda.

P.S. You can also [visit our website](#) for the full library of songs to keep active indoors!

Craft & Colouring

Prayer Activity

Why not decorate a rock with paints or permanent markers?

You could write **God Loves You!** on the back and give it to someone or hide it.

- Pray for those who are feeling lonely.
- Pray for those with no home.
- Pray for everyone who works in the construction industry, building new houses and hospitals.
- Pray for all charities helping vulnerable people in practical ways.
