1.	RATIONALE	
	1.1.1	Beech Hyde Primary School and Nursery is dedicated to ensuring that all members of the school community and the wider community are treated equally, fairly, and with respect by the school and by each other. This applies to the school as a place of education, a business, and an employer
	1.1.2	Prejudice, discrimination, and victimisation are not tolerated, and we work hard to instil in our pupils a strong understanding of right and wrong, including the importance of inclusion, acceptance, and compassion towards others. The school's main priority is to provide the best education and care that we can and establish a cooperative working relationship between home and school, so as to aid the development, progress, and needs of all our pupils
	1.1.3	This policy sets out how the school will promote equality of opportunity regardless of race, sex (gender), transgender, disability, age, religion or belief and sexual orientation, in both the delivery of its services and the employment of its staff. It is adopted by Beech Hyde primary School and Nursery governing body in line with the Equality Act 2010 and is the foundation of all the school's other policies – particularly the special educational needs, admissions, appraisal, safeguarding, medical needs, anti-bullying and the behaviour policies.
	1.1.4	This policy is fully reflected in our school's vision and values, which seek to promote good relationships between everyone in the school community, building an atmosphere of mutual trust and confidence
	1.2	School Context

Governors will also review evidence that it is being put into practice in school by staff and pupils, and whether there is any need for extra training or development sessions across the whole school to ensure it is promoted and implemented as much as possible.
