Dear Parents / Carers,

An exciting week back as the sun comes out (occasionally) and everyone is feeling rested and raring to go.

It was great to see our Year 3 footballers playing in a friendly match this week and we look forward to their tournament.

All new clubs start next week and we look forward to St Albans School sixth formers and music department coming to work with Year 4 on a musical performance to be shared towards the end of the term.

The summer term brings with it outings and trips and we will share the summer term trip for your child's class next week. With rising costs we are incredibly grateful to the BHA for subsidising part of every child trip to ensure that no parent pays more than £15 per child.

We are also very grateful for the return of BHA ice-cream Friday! Please remember that due to concern over unknown and known allergies, adults must purchase the ice creams.

Congratulations this week go to Yazmin McKnight for receiving the Davey Cup for Maths and to Miley Giddings for being awarded the English STAR award.

If you have any queries or concerns, please feel free to contact me at head@beechhyde.herts.sch.uk.

Fitness Tracker

At school the children are timed to run a set distance around the school field. The times are recorded and over the next couple of months all children will be encouraged to improve and beat their time.

Children are already showing great attitudes and determination as personal bests are already broken!

Wheathampstead Cricket Club

Children had lots of fun at the Wheathampstead cricket club on Wednesday afternoon (free taster session). They played some games whilst working on batting and fielding skills.

There will be another free session Wednesday 24th April 4pm -5pm
