

Here's our next email for families...

David and Goliath

Have you ever had to be brave? Did you ever want to try something that people didn't believe you could do? David was only little, but he trusted God and overcame a mighty enemy.

[Click here for this week's video](#)

This week, can you be brave and try something new?

Is there something you want to try and think you're now big enough? Why not discuss it with an adult?

Talk to God about it too - he wants to hear your BIG plans

Then, if you want to get stuck into some activities, check it out below for creative crafts, colouring, a song with actions and our prayer activity.

We hope you're enjoying our weekly bible story with activities, they will be on our website all summer if you want to dip into them again, along with all the songs, crafts and prayer activities. [Visit our website](#)

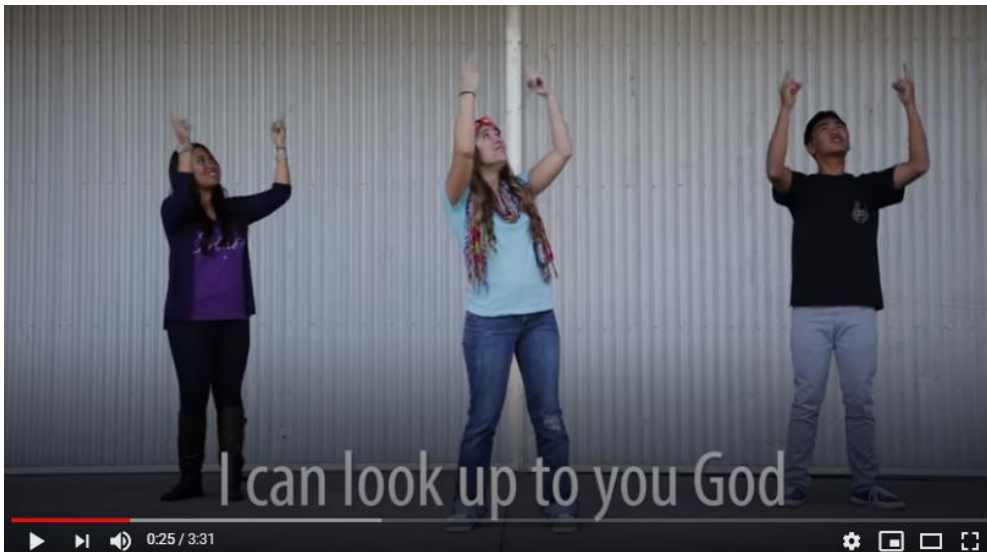

Every blessing

Richard, Claire and Linda.

Craft & Colouring

Fire your Prayers to God!

Write a message to God.

It might be something you want help with - a difficult task

It might be help to be brave and have a go

It might be a prayer for someone you are missing or worried about.

Scrunch up the paper into a ball, then get an elastic band, spread it between your fingers and fire your prayer off to God! (Make sure there's no one or nothing in the way first!)
