

Beech Hyde – PE and Sport Premium Funding - Action Plan 2020 - 2021

The PE and Sport Premium is additional funding for schools in England. Schools receive PE and Sport Premium funding based on the number of pupils in years 1 to 6.

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport offered. Schools can use the premium to:

- develop or add to the PE, physical activity and sport activities that the school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Number of pupils and PE and Sports Premium funding received	
Total number of pupils on roll (September 2020)	186
Total amount of PE and Sports premium received	£17,660

At Beech Hyde we strive to provide a quality PE and sport curriculum and wider opportunities to participate in physical activity and sporting events. We believe that developing the physical wellbeing of all children has significant benefits for their mental and physical wellbeing.

We are committed to continually reviewing our provision of our PE and sports and ensuring that developments we make are sustainable and will continue to benefit the children coming through our school.

For the academic year 2020 – 21 we are working on developing our PE and sport in these areas:

- broader experience of a range of sports and activities offered to all pupils, eg intra school competitions to be incorporated into our complete sport scheme and outside activities during playtimes, with equipment, to engage our pupils further and provide them with the opportunity to compete and achieve their Personal Best. (within gov guidelines for COVID19 such clubs and activities offered will remain within our class bubbles)
- increased participation in competitive sport and partnering with other schools to run sport activities and clubs (within gov guidelines for COVID19 we are linking with other schools and taking part in termly challenges e.g. Skipping)
- Sports coach will provide CPD to class teachers to upskill and oversee high quality PE provision.
- Bronze Ambassadors and Health Leaders training for pupils with targets and actions in aid of helping our school stay active. (online training and resources)
- Supporting and involving the least active children by providing target activities-eg “healthy, active lifestyles after school club” per class bubble
- to promote an active mile into the school day and develop a lifelong habit of daily physical activity
- top up swimming sessions for year 6
